Subject: Revised Schedule for CB&I Upper Animas Watershed Task Order

Team,

Attached is the revised schedule for the Task Order deliverables. I have added the Progress Check Point conference call on 6/17, corrected the start date for the Draft Upper Animas Report, and corrected the omission of the Data Gap Analysis and Planning Reports/Reviews. I have also corrected for weekend dates, moving to the prior workday, which has been noted in the predecessors column. We spoke of expedited document reviews and comment incorporation, but I have not made reductions there pending discussion during the Progress Check Point conference call on 6/17. Please let me know if you have any questions.

Thank you,

David
